***The Symbol of St. Bartholomew***

Bartholomew Nathanael, Talmi's son, lived in Cana of Galilee. Because he was flayed alive with knives his apostolic symbol is three parallel knives. According to legend, he was a missionary in Armenia and to some scholars, he was the only one of the 12 disciples to have royal blood or noble birth.

*Saint Bartholomew,  
help all Christians to see in your example of  
martyrdom a heroic witness to perseverance in the  
face of difficulty, of fidelity in the face of doubt, and  
of courage in the face of timidity. May we have just  
a portion of what you had in such abundance. Amen*
