

Neither St. Joachim nor St. Anne are mentioned in the New Testament, but there are numerous stories about their lives. The stories speak of an elderly and childless couple visited by an angel, proclaiming that they shall conceive and bear a child who would become famous throughout the world: yet another story where God turns despair into joy by making the impossible possible! We celebrate St. Joachim and St. Anne, the parents of the Blessed Virgin Mary, because they were able to see the wonderful hand and hear the resounding voice of God working in and through their brokenness. Not only did they see and hear, but they believed!
