

Lenten Reflection

There are so many signs of unresolved anger in our world. We live in an age characterized by road rage, monetary competition, abusive language, and physical exploitation. This anger stems from our inability to forgive, to reverence the sacredness of life, and to find peace within the reign of God. If we want a more peaceful, merciful, and reconciled world we must invite God to transform our everyday experiences of hurt and loss into moments of grace and redemption so that we will be ready, along with our brothers and sisters, to offer our gift at the altar.

Today we hear the foundations of our faith. St. Paul explains how Jesus’ self-sacrifice was neither foolish nor weak, for in it He showed the strength of love over death. After Jesus’ dramatic visit to the temple wreaks havoc by overturning the tables of the moneychangers and those selling animals for sacrifice, Jesus speaks about what is going to happen to Him:

***“Destroy this temple
and in three days I will raise it up.”***

Jesus is speaking about the temple of His body that would be destroyed by crucifying Him on the cross. God’s dwelling place would no longer be a temple made of stone, but the risen body of Christ and the body of His church. Saint Paul calls Christ crucified the revelation of the power and wisdom of God. Listen to the readings as people of faith and spend time this week meditating on how God redefines wisdom and strength through the Cross.

**2024 CATHOLIC CHARITY FUND APPEAL
A STATE OF HOPE**

Every gift matters. Every gift makes a difference.

The Annual Catholic Charity Fund Appeal will get underway in our parish with the In-Pew Appeal in March. In the past, generous donors have contributed by a gift or pledge. Although, we are all living in difficult financial times – we need to reach out and help those worse off than we are – as we offer thanks to God for His many gifts and blessings to us. Any and all donations will be greatly appreciated!
