

Lenten Reflection

There are so many signs of unresolved anger in our world. We live in an age characterized by road rage, monetary competition, abusive language, and physical exploitation. This anger stems from our inability to forgive, to reverence the sacredness of life, and to find peace within the reign of God. If we want a more peaceful, merciful, and reconciled world we must invite God to transform our everyday experiences of hurt and loss into moments of grace and redemption so that we will be ready, along with our brothers and sisters, to offer our gift at the altar.
