

**Nativity of the Blessed Virgin Mary
Thursday, September 8**

This is the highest, all-embracing benefit that Christ has bestowed upon us. This is the revelation of the mystery, this is the emptying out of divine nature; the union of God and Man. This radiant and manifest coming of God to men most certainly needed a joyful prelude to introduce the great gift of salvation to us; the festival of the birth of the Mother of God. The Virgin is born, tended and formed, and prepared for her role as Mother of God, who is the universal King of the Ages. Celebrate the Birthday of our Blessed Mother by praying the Holy Rosary on her special day.
